Dear Mr. Bowyer,

This letter is to confirm Maricopa County Department of Transportation's intention to participate with the amount of \$13,000 for the widening of Guadalupe Road east of I-10. Luis Gonzales, the Town Manager of Guadalupe has given his approval for the project. Please start the IGA process as soon as possible so that we can formalize the agreement.

Sincerely,

Mike,

Have them send you a signed version of the letter and pass it along to Lynn Grandy as the letter of intent. Lynn will then be able to process an IGA.

Mike,

Here is the electronic version of the letter I sent you. Luis Gonzales has accepted another position and will not be with Guadalupe past next week so you might want to give him a call and get something in writing.
